Chromebook Purchasing Portal

Dear Parents / Carers,

Penshurst Public School has arranged a purchasing portal for parents / carers to purchase school approved Chromebooks. This portal is exclusive to Penshurst Public School and offers 3 Chromebook models: an Acer, HP and a Lenovo. It is, however, not mandatory to purchase from the portal, Chromebooks may also be purchased from your preferred retailer.

To purchase an approved Chromebook, please go to, <https://penshurstps.asi.com.au> and click on REGISTER where you will be prompted to enter your email address, activation code and a password of your choice. Once you have completed these steps you will be able to see the available products for purchasing.

The purchasing portal will go live from the 6th of February till the 28th of February. Orders will be delivered to the school from 16th - 22nd of March.

Once students receive their Chromebooks, Penshurst Public School requests that every student clearly label their device. Furthermore, students must purchase a case, bag, or sleeve to protect their device. A set of headphones is also recommended for use when listening to multimedia resources in order to minimise noise levels in class.
