School Policy: Parent/Carers and Volunteers Policy

Dear Parents and Carers,

In maintaining a safe and harmonious environment for the whole school community, and in consultation with the P&C and school staff, the school has developed the *School Policy: Parent/Carers and Volunteers Policy*.

This policy describes the important roles that parents/carers and volunteers are able to play at Penshurst Public School and outlines ways that students, parents and school staff can work together in a supportive and positive learning environment to enhance teaching and learning programs.

Every family will be issued with a paper copy of this school policy document. This policy document can also be found on the school website.

If you have any questions regarding this document, please feel free to contact the school.
